Dr. Rick Falkenstein
Superintendent

Mike Hesington
Interim Principal

Dear Milford Families,

The past few months have been a great experience and I have personally enjoyed becoming a part of the Milford Community. The parents and students are extremely supportive and I am grateful to be a part of your community. As we look to plan for Milford's future, I believe that we will be able to continue to maintain Milford's identity while improving opportunities for students.

During the approval of the send-receive for grades 7 & 8, it was brought to our attention that we should consider 6th grade. Although we had not considered including them originally, the board agreed to consider including the 6th grade in the send-receive and is working through this in the context of the upcoming budget and will be making a decision at its March BOE meeting.

The next few months we will work together to ensure the students become excited for the transition to a new middle school experience. I would like to invite parents and students to an open house at Kingwood Township School on March 11th at 6:30 P.M. to meet the staff and learn more about the different programs and opportunities for students. I encourage parents and students from any grade to come out to this night. You will learn more about the opportunities that are available to middle school students and get a feel for the building.

I am also in the process of scheduling a day for students from Kingwood to spend a day at Milford. The intent of this experience is for your child to make some friends at Kingwood and for Milford students to share what makes their school special. I will also organize a day in April for students to be transported to Kingwood. I hope these types of interactions help foster a sense of comfort between the two school communities.

Please know that as we navigate this transition, I am always free to answer any questions and I will continue to schedule meetings to ensure that all questions and concerns are addressed.

Sincerely,

Rick Falkenstein
