

**Kingwood Township School
presents...**

Beyond Academics

Join us Tuesday 5th March @ 6:30pm

PTA will provide free child care!!

The presentation will be on Beyond Academics Addressing the Social -Emotional needs of our learners.

Mrs. Ricardo will be presenting on how we help our students learn the emotional readiness skills they need to be successful both in school and in life and will share with parents some of the strategies derived from Conscious Discipline that Kingwood uses to help our students self-regulate and manage their feelings .

Dr. Falkenstein will be sharing information on brain based learning and how difficult it can be to overcome habits and rewire our brain to allow for positive change . He will share with parents the Backwards Bike for those brave enough to try to revise their early learning.

Dr. Callanan will be providing parents with specific techniques for managing stress and anxiety both for their children and in their own lives.

We look forward to an informative and experiential evening.
