Bicycle Helmet Swap and Fittings

To kick off the school year, goHunterdon staff will be conducting a free Bicycle Helmet Swap on Friday, September 6, 2019. All Milford Public School students are encouraged to bring in their existing bicycle helmet and have it inspected by trained staff.

Parents, please remember that a helmet should be replaced when it has been in a crash; damage is not always visible.

**All participating students will receive a blinking light to attach to their helmet or bicycle.*
