**Discipline, Harassment, Intimidation, and Bullying Policies, 2014**

Dear Parent/Guardian:

The Harassment, Intimidation, and Bullying Policy applies to all acts pursuant to N.J.S.A. 18A:37-14 that occur on school property, at school sponsored functions or on a school bus and, as appropriate, acts that occur off school grounds. The complete Policy can be found on our school website at [www.milfordpublicschool.com](http://www.milfordpublicschool.com) and our Discipline and Code of Conduct Policy is found in the student handbook.

The Code of Conduct was developed by school representatives. It provides consequences for specific violations of rules of good order and safety in our school and on school sponsored events. As with all society, certain rules are necessary for the institution of schools to function. This code is effective immediately and will be explained to the students during the next few days. Our staff urges you to help us with creating and maintaining a positive educational climate.

As we have in the past, we ask your support and cooperation in reviewing these rules with your child and explaining the consequences. Rest assured that due process, that is allowing a student to explain his/her actions, will be respected at all times prior to consequences being invoked. Students are responsible for reading or having the code explained to them (for non-readers).

Your help and support are most appreciated as we endeavor to assure a safe and productive environment.

Sincerely,

Michael Hesington  
Principal
