Dear Parent/Guardian:

Each year our students participate in a number of off-site walking trips within the town of Milford. Teachers, following administrative approval, may plan experiences designed to enhance our curricula. Such trips may include: frequent visits to the Milford Library, gym classes at the baseball field located behind the Milford Public Library, science observation walks, a tour of historical buildings in our town, etc.

Parents will always be given a minimum of a day's notice prior to any walking trip, other than library trips and gym classes at the baseball field. Classes that visit the library will go at approximately the same day/time each week, weather permitting. Unless we hear otherwise, this permission slip will cover all of the various walking trips that may be taken.

Sincerely,

Michael Hesington
Principal
