The Anti-Bullying Bill of Rights Act requires that the week beginning with the first Monday in October of each year be designated as the Week of Respect in New Jersey. In recognition of the importance of social and emotional learning and character education, school districts in New Jersey observe the week by providing age-appropriate activities that focus on fostering a positive school climate.

At MPS this year, in addition to this spirit week, we will also be engaging in special lessons and student of the month will be chosen based on respectful character traits.
