Concurrent enrollment, also called Dual Enrollment, is an opportunity for high school sophomores, juniors, and seniors to earn college credit for courses taught at Del Val by Del Val teachers in conjunction with our partner colleges. Concurrent enrollment can offer students a chance to begin earning college credits at a reduced rate. Del Val is currently working with [Raritan Valley Community College](#), [Seton Hall University](#), and [Kean University](#). Please encourage your son or daughter to check their high school emails regularly for information regarding concurrent enrollment.

Freshman Physicals

- 9th grade students must have a physical that was completed on or after September 2, 2020 and must be submitted by September 30, 2021.
- A sports physical will fulfill the requirement of the 9th grade physical if it is current on the first day of school, completed on or after September 2, 2020.
- Students from outside the district must submit a physical that was completed within 365 days of their entry date.
- Please visit the Health Office for health forms and immunization requirements.
