

Alexandria Township School Winter Sports Presentation 2023-24

What to expect for the upcoming
season:

Intro

This presentation will focus on what to expect for the upcoming season:

Practices

Locker rooms will be in the new gym:

No one will enter the new gym until the coaches and/or sports director are present to supervise. They will bring out their stuff with them to their practice venue and will be dismissed after all of the students have been dismissed for the day.

Practices (Continued)

The gym will be divided so that they can take place at the same time and to accommodate for community sports.
