Dear Parents/Guardians,

Below is a list of supplies your child will need for the 2022-2023 school year. To ensure your child has his/her supplies, we ask that you compile all the supplies and place them in a large shopping bag clearly labeled with your child’s name (please label each individual item with your child’s name, EXCEPT individual pencils, markers, crayons and items for the classroom or shared supply, indicated below). We thank you in advance for helping your child be well prepared for a great year of learning.

Have a wonderful summer. We’ll see you in September.

Sincerely,
The First Grade Teachers
