# Pearson Realize Opens

- If it is your first time in, you will have to select some settings
- After that your screen should look more like this or open to an activity directly.

The image shows two screenshots of the Pearson Realize interface. The top screenshot is the initial setup screen, which prompts the user to 'CHOOSE YOUR PREFERRED LANGUAGE' and 'PICK A PROFILE ICON'. The bottom screenshot shows a student's activity page for '15-1: Describe Quadrilaterals'. The page includes a navigation bar with 'BROWSE', 'CLASSES', and 'GRADES' tabs, and a user profile for 'Ms. Kirk'. The activity page displays the program name, start and due dates, and an overall score of 87%. Below this, there is a table of activities with columns for a checkmark, an icon, the activity name, and the score.

# Without Google Classroom Integration

- Sometimes teachers will provide a direct link to Pearson Realize either within Google Classroom or outside of that platform.
- If your screen looks like this, you log in with Pearson Realize credentials (not your email/password)
- Pearson Realize accounts are set up and managed by your teacher. Please contact them if you are logging in this way.
