

KINGWOOD TOWNSHIP SCHOOL

OPEN HOUSE - GRADES 5-8 Tuesday, September 12, 2023

Our Open House is designed with parents in mind, and we ask that students remain at home. To accommodate parents with students in more than one grade level, we have created two sessions for each grade level presentation. The 5th Grade schedule is below and the Middle School schedule is on the next page. Session 1 presentations are the same content as Session 2, they are just held at different times. This way, parents can travel to a different grade level during the second session. (Please note, honors course presentations are specific to the times shown.)

Each presentation is held in the location next to the teacher's name. A map of the school will be provided. Please be prompt when moving/arriving at the next presentation; teachers will end each presentation a minute or two early to allow time for you to get to the next presentation. This is a great night to meet your child's teachers, see their classrooms, and get an overview of what the year will look like. Please save all questions that are specific to your child for parent teacher conferences, or email your child's teacher directly. The PTA and KTEF will have welcome tables set up in the hallway leading to the Library.

The following staff members will be available from 7:00-8:30 PM in locations as indicated.
