10. Timothy Jordan spoke on behalf of the Kingwood Athletic Association, specifically the soccer program. The KAA has been trying to raise funds to build a new soccer field that properly drains and provides a place for games to be held. Over the past several years many of the KAA Soccer games have been canceled due to the lack of drainage at the park. Timothy came as a means to further the awareness of the need, how to spread the word and how to help. KTS PTA will review funds and advise if financial support can be provided.

Next Meeting: Tuesday, April 16 @ 7:00 PM in the KTS Library
