Re: Request for Sponsorship (Donation) – Non Profit Organization I.D. #52-2210606

To Whom It May Concern,

The Kingwood Township Education Foundation is a community group of volunteers that raise money through various events for Kingwood Township School. The KTEF's ongoing mission is to enhance the core curriculum at Kingwood Township Elementary School by funding innovative programs such as class trips, in-school assemblies and other educational programming or supplies. If we do not raise enough funds throughout the year our school is in jeopardy of losing said programs. Every dollar raised goes directly back to our students.

We are reaching out to see if you would like to partner with us this year. This year, 2023-2024, we are changing the way we fundraise and we are asking your business to Sponsor us and our year. Here are the ways you can help us in our fundraising goals to keep class trips, in school assemblies and other educational programming in our school that the regular school budget does not allot for.

Be a Bronze, Silver, and Gold Sponsors!

Bronze Sponsor is a request for \$250.00. This will include advertisements on all our social media platforms and a small advertisement on our color run shirt. It will also include a certificate for your business to hang up stating that your business helped the KTEF in their fundraising endeavors for the year.

Silver Sponsor is a request for \$500.00. You will be considered an Event Sponsor. You will be credited on a poster at every event we hold, along with other event sponsors. You will be advertised on all our social media platforms. You will have a medium space on our color run shirt. You will receive a 5x7 plaque in recognition for your support in helping the students at KTS. You will receive two tickets to our big event to be honored with the plaque (event TBD).

Gold Sponsor is a request for \$1,000.00. This sponsorship is considered our Class Trip Sponsorship. You will be credited as a class trip sponsor on all our grant applications and class trip permission forms. You will be advertised on all our social media platforms. You will have your own logo poster at all our events. You will have every class that partakes in the class trips this year send either letters of thanks or a video thank you. You will have a large space on our color run shirt. You will also receive an 8x10 plaque in recognition for your support in helping the students at KTS. You will receive two tickets to our big event to be honored with the plaque (event TBD).

We appreciate you taking the time to be a part of our school year and fundraising endeavors. We thank you in advance for donating to us in efforts to help better the lives of the students at Kingwood Township Elementary School. Your sponsorship improves education initiatives within our school.

Please contact kterf@kingwoodschool.org or Kelly Feldman, at 732-406-4756, the KTEF Vice President, for any questions or to pick up your generous sponsorship (donation). Thank you again for all your support. If you would like to mail the form back please send it to;
