

KINGWOOD TOWNSHIP

KTEF

EDUCATION FOUNDATION

Founded 1999

**The KTEF extends our *THANKS* for your ongoing support of our organization,
and asks that you consider *GIVING* to the
KTEF's Annual Giving Campaign,
which kicks-off today.**

Each year the Kingwood Township Education Foundation (KTEF) reaches out to our community to raise funds to support our mission. For the past 18 years, the KTEF's mission has been to enrich Kingwood Township's core curriculum with unique educational opportunities for every student. For those who have supported the KTEF in the past, thank you for your commitment to our communities' children. For those to whom the KTEF is new, we invite you to learn more.

To date, the KTEF is pleased to have funded over \$375,000. In innovative grants for our KTS students, including field trip, in school presentations, music and art programs and so much more!

The generosity of our Kingwood community enables the KTEF, year after year, to continue funding these teacher proposed educational activities that are not included in the traditional school budget.

We HAVE to raise \$15,000. To fund existing programs!

****Please return bottom portion of this letter in an envelope marked "KTEF" to the school****

**Please accept my donation to the Annual Giving Campaign for the
Kingwood Township Education Foundation**
