

1100 DISTRICT ORGANIZATION

The Board of Education directs the organization of the instructional program of this district in a single school for grades Kindergarten through eight, and pre-school handicapped. Grades five through eight are to be organized as a middle level program.

The Superintendent shall continually monitor the effectiveness of the district's organization plan and recommend to the Board such modifications in the plan as may be in the best interest of the pupils, make most effective use of district resources, and serve the educational goals of the Board.
