Commercial Driver's License Controlled Substance  
And Alcohol Use Testing

### 4219 COMMERCIAL DRIVER'S LICENSE CONTROLLED SUBSTANCE AND ALCOHOL USE TESTING

The Board of Education is committed to a safe, efficient, alcohol and drug-free workplace that protects the district's students as well as the health and safety of its employees and the general public.

The Omnibus Transportation Employee Testing Act of 1991 requires all operators of commercial motor vehicles subject to the Commercial Driver's License (CDL) requirements to be tested for controlled substances and alcohol. Federal regulations of the United States Department of Transportation require that any employee using a CDL be required to submit to alcohol and controlled substance testing in accordance with 49 CFR 40 et seq.

In the event the Board contracts with a service provider for transportation, the Delaware Valley Regional High School Jointure will ensure all transportation contractors comply with the drug and alcohol testing requirements of Policy 4219 pursuant to 49 CFR 382 et seq. and 49 CFR 40 et seq.

The school district shall maintain and retain all records as required by Federal regulation.
