

4220 EMPLOYEE EVALUATION

The Superintendent shall maintain factual personnel records on all support employees and shall direct evaluation procedures.

Before increments for support staff members are approved for succeeding years, administrative and supervisory personnel in the schools shall submit to the Superintendent a report on the performance of each employee under their jurisdiction.

The employee's supervisor has the responsibility for seeing that each employee knows the basis upon which he/she is to be evaluated in advance of the evaluation.

Adopted: 26 May 2009
