

Kingwood Township Education Foundation

Do you love Kingwood Township School? Do you want to enrich your children's educational experience? Do you want to become involved in the school community? Do you want to meet other Kingwood parents?

If the answer is YES to any of these questions, then the KTEF is for you...

What is the KTEF?

We are a non-profit community organization of parents, administrators and school staff that fosters and encourages creativity in educational activities by enhancing the core curriculum of Kingwood Township School (KTS) with programs not available in the school budget.

How does the KTEF benefit KTS students?

We fund innovative, teacher-proposed educational programs, which benefit our students in the form of field trips, in-school assemblies, performances and classroom resources. These programs inspire a connection between textbooks and real-life experiences.

Our KTEF is seeking additional Board Members
