

Kingwood Township School Presents:

The Knight's Challenge 2024

Dear Community Friends,

Kingwood Township School is pleased to announce their annual community event night, The Knight's Challenge 2024. This event invites all students, teachers, parents, alumni and community members to participate in a fun night of challenges or to cheer on your favorite Kingwood Knight team! This community event has been extremely successful in the past and continues to be an event many look forward to every year.

The Knights Challenge is one of Kingwood Township School's primary fundraising campaigns to help raise money for the *Class of 2024 along with supporting the Kingwood Fire Company*. Through generous donations, student volunteers, parent and community volunteers, we as a community can enjoy a night of excitement and also make a difference in our community.

We are reaching out to community businesses to help sponsor this event. All game participants and event staff will be given T-shirts to wear at the Knight's Challenge. By sponsoring this event, your business will be acknowledged on the t-shirts, be included in our program book and announced during our event. The sponsorship levels are as follows:
