

See how our online payment system makes it easy to manage school fee payments!

Assign school fees directly to students and parents receive text and notifications

Payments made in one transaction but deposited into separate school bank accounts

Secure site with easy-to-generate reports

Simplify How You Collect Payments

- Accommodates all school related fees
- The ability to assign fees to the entire student population, specific schools, classrooms, groups or even individual students
- Parents receive an email and text alert when a new fee has been assigned to their student

K12PaymentCenter

The Complete Online Payment Solution

An Easy Transition with More Benefits

- System is FREE for your district to use if you use Meals Plus Point of Sale
- Balances are automatically updated in Meals Plus Point of Sale
- Education Management Systems hosts the secure site
- Administrative portal lets you track activity and run reports
- Links to your district menu calendar
- Easy to use and secure
- Accessible via a link from school or district website

K12PaymentCenter

K12PaymentCenter

The Complete Online Payment Solution

How it Works

- Education Management Systems hosts the server and is administrator for all of the site's activity and an individual account is setup for each student

Manage Students

Add New Student

District 123 assigns an 8 or 9 digit number to each student. This number can be found on your student's schedule or report card. If you are unable to obtain this number please contact your student's school directly.

Student Number:

First Name:

Last Name:

School:

Save Student

Cancel

K12PaymentCenter

The Complete Online Payment Solution

How it Works

- The system utilizes the name and student number and an email is sent confirming account Registration to parent
- A second email is Automatically sent to confirm that the student has been 'found' (Verified) at the appropriate school site
