Are you looking for a place to game with your friends? Gaming Club is for any students interested in playing retro (not tech) games with their friends in the library. Games such as Pokémon, Magic, D & D, or other old school board games will be offered. Students may bring their own games or use the ones the school provides.

Students are responsible for any games they bring. Ms. Gale can store games in her office between club meetings if students don't want to bring them weekly.

*Please fill out the bottom portion and return to Ms. Gale by Monday, September 27th.
