REQUEST FOR ALTERNATE TRANSPORTATION FORM

ROUTES AND SERVICES Policy #8600 Paragraph G: "In consideration of students with alternate transportation needs, transportation to and from a location other than the pupil's home residence may be provided on a permanent school year basis upon written application by the pupil's parents or guardians and space availability on the requested route. This transportation request will be considered only for a five (5) day per week basis and with morning pickup and afternoon dropoff at the same designated location. By applying for this alternate transportation, applicants understand that they waive their seats on the bus route which serves their home residence."
