9. No wireless or wired syncing to personal computers is allowed.
10. Network administrators may review your files and communications to ensure you are using the iPad appropriately. Do not expect that files stored on your iPad will always be private. This is a school-owned and issued device.

12. You may not take photos or video of other students or staff without their permission. The possession, forwarding, or uploading of unauthorized photos or video to any website, network storage area, or person is strictly forbidden.
13. You may not access another individual's materials, information, or files.

Failure to report stolen property in a timely manner could result in you being liable for the entire cost of the iPad.
6. DVRHS iPads contain software that will be activated to track down the iPad in the case of loss or theft. DVRHS will also coordinate with law enforcement officials to alert area law enforcement agencies of lost or stolen iPads.
