

June 2019

Welcome to Fourth Grade!

It's official...after all the hard work you did in 3<sup>rd</sup> grade, you are now a 4<sup>th</sup> Grader!

With the school year behind you, I know you're ready for some fun in the summer sun away from desks and pencils and books. Before you totally check out from school, I just want to let you know that summer is a great time for sales on school supplies! In case you want to get a jump start on the 4<sup>th</sup> grade, here's a list of what you'll need. Please label everything with your name.

- o **3** single subject notebooks
  - 1 for each subject: reading, writing, spelling
- o **2** single subject graph paper notebooks (or one large) for math
- o **1** two subject notebook
  - with a divider for social studies and science
- o **5** pocket folders
- o **1** set of multiplication flash cards
- o **2** boxes of pencils
- o **4** large erasers
- o **1** box of 24 colored pencils
- o **1** box of 24 crayons
- o **1** box of markers
- o **3** 3x3 post-it notes
- o **4** dry erase markers
- o **1** container of disinfecting wipes
- o **1** roll of paper towels
- o earbuds **or** headphones

FYI: You will have the opportunity to practice your Multiplication/Division facts on your tablet from home via the Reflex Math App. You can use the same log in you used during the school year because your account will remain active.

Have an awesome summer!

See you in September (or possibly around town☺)!

Mrs. Ahrens.
