

Here we are again! December is upon us and with it comes all the excitement of the holiday season. We live for family traditions that make us feel together and warm. Although it may be a little different this year, I hope you all have the ability to connect with family and friends, whether in-person or virtual, and make your own memories this holiday season.

Life in remote learning remained very busy these last few weeks as we had our “Sing Along”, Holiday Spirit Week, and many celebrations in the “virtual” classrooms today. FES students, teachers and families still continue to participate and support each other during these times, which I am incredibly proud of! We realize that it is this time of year when the closeness of friendship shines in our students’ faces, even if it is on a Google Meet :)

The Holidays give us an opportunity to pause our busy lives and reflect on our proud accomplishments. With that being said, I would like to take this opportunity to thank the Frenchtown BOE, FES Team, students and parents, substitute teachers, and the FES PTO, for your continued support. Additionally, I would like to thank Mayor Myhre, Frenchtown local businesses, Frenchtown DPW, Frenchtown Police, and the Frenchtown Fire Department, for always supporting FES.

We know the new year will bring new learning experiences, some new challenges and more friendly social distancing protocols (keeping us all SAFE)! I look forward to what lies ahead for our school community in 2021.

I wish you all Peace, Joy, Hope and Happiness during this Holiday season and throughout the New Year.

Mr. H
