The board shall provide appropriate insurance for the indemnification of officers and employees, including student teachers, from damages, losses, and expenses from civil suit brought against such persons on grounds arising out of and in the course of their employment or position with this board.

Accident Insurance

The board will provide parents the opportunity to purchase insurance coverage, at no cost to the board, for injury resulting from accidents sustained by students in school, on school grounds, at an activity sponsored by the school, while traveling between home and school and in any activity round-the-clock.

The superintendent shall recommend suitable and qualified insurance carriers for board consideration.

Property Insurance

The board will ensure that the district has adequate insurance to cover the loss or damage of school property due to theft, water damage, glass breakage, boiler damage, fire damage, smoke, windstorm, vandalism and any other cause the board deems appropriate. In contracting for insurance coverage the board shall be guided by the desirability of distributing the insurance coverage of the district through one insurance broker only.

The board insurance broker shall annually:

- A. Review the insurance program of the district, consider alternatives, and report recommendations to the board;
- B. Assist the board in the establishment and maintenance of property valuation and insurance records;
- C. Review plans and specifications of all new facilities with the rating bureau in order to eliminate unnecessary penalty charges;
- D. Process all claims;
- E. Recommend such measures as may reduce the cost of insurance premiums including assumption of risk, loss prevention, transfer of risk and self-insurance.

All insurance records shall be on file in the office of the board.
