*Business Administrator/
Board Secretary*

CURRICULUM

Milford Public School is a PreK-5 grade school located in the Borough of Milford. Students in grades 6-8 attend Kingwood Township School District as a send/receive agreement. Delaware Valley Regional High School is a regional school district for all the surrounding communities. Milford Public School and Kingwood Township School district work together to create a universal learning experience for all students. The districts have the following shared service agreements: art, music, child study team, business office, guidance and administration.

In order to ensure a smooth transition to middle school, Milford Public School utilizes curriculum services from Kingwood Township. The curriculum is developed together; however, it reflects Kingwood as the students will attend Kingwood for grades 6-8. This arrangement also allows the reading and math specialist to provide oversight to Milford students in grades PreK-5.

The link below will provide you with access to K-8 curricula. Please note that although it says Kingwood Township, the teachers at Milford utilize the same curriculum.
