April 2024

Dear Families,

The Federal Government is rolling out a Summer PRE-EBT program. Families qualifying for free or reduced lunch this school year are eligible for a one-time card to cover food expenses during the summer break. **Note: This card will be mailed directly to your home by the state, not the school district. The district will not be able to answer questions regarding card mailings or eligibility.**

Important Updates:

- If your student currently receives free/reduced lunch, no form updates are needed until September.
- **If you haven't filled out a free/reduced lunch form, complete and submit it by 9 a.m., Monday, April 29, 2024. Failure to do so will render families ineligible for summer program benefits.**
- The Summer PRE-EBT program is federally administered; the school district doesn't determine benefit eligibility. We collect and submit information to the government for review.

Secure your benefits by taking prompt action!

Thank you,

Michele McCann, RSBA/SFO  
School Business Administrator/Board Secretary
