

**Frenchtown Elementary School**  
**Parental Permission for Email & iTunes Account**  
**2018-2019**

Student Email

With parental permission, students will be provided with an internal email account (through Google Education) that will be used for student to student and student to teacher collaboration. Students will not be able to receive or send email outside of our school district. This email account will also give students access to Google Drive where students can save, share & collaborate on documents with their teachers and peers. In addition, many third party apps require an email address to set up an account- such as Dropbox, Glogster, etc.. The technology department will have the ability to manage the account and monitor usage if necessary.

iTunes Account

With parental permission, students will be provided with an iTunes account for the sole purposes of:

- Setting up an iCloud account to back up their iPad
- Downloading iBooks
- Setting up the *Find My iPhone* app. This app can be used to locate the iPad if it is lost or stolen.

The technology department will set up the iTunes account using the school issued email account and distribute login information during the student iPad training (iPad Academy). Students will not be purchasing or downloading apps or music with this iTunes account as it will be set up without credit card information. The technology department will have the ability to manage the account if necessary – i.e., reset password. Even if a student has a personal email or iTunes account it is necessary for them to have school issued accounts in order to maintain control over the apps & content on the district iPad.

Student email & iTunes accounts play a vital role in developing students' 21<sup>st</sup> century skills of collaboration & productivity, allow students to utilize electronic textbooks & novels and safeguard their data stored on their iPad. If you have any questions or concerns, please do not hesitate to contact the technology department at 908-996-2131 ext. 6302

**Please return the bottom portion of this form by Monday, September 10th**
