

Frenchtown Elementary School

iPad Protection Plan 2019-2020

The Frenchtown Elementary School recognizes that with the implementation of the 1:1 iPad initiative there is a need to protect the investment by both the District and the Student/Parent. The following outlines the various areas of protection: warranty, accidental damage protection, insurance and pledge agreement.

School District Protection

School District Protection will be available for students and parents to cover iPad replacement in the event of theft, loss, or accidental damage. The protection cost is \$40.00 annually for each iPad with a maximum cost of \$120.00 per family. This plan will include one replacement. Additional replacements will cost the student/parent the full value of an iPad (\$379.00). Parents will need to purchase this insurance through the Frenchtown Elementary School office before students are allowed to check out an iPad with the following exceptions:

- \$40 fee is waived for homeless/transplanted students
- \$40 fee is waived if you receive free and reduced lunch
- \$40 fee is waived/reduced if you apply to the Superintendent for additional circumstances/hardships

Personal Home or Homeowners coverage

Students or parents may wish to carry their own personal insurance to protect the iPad in cases of theft, loss, or accidents. Please consult with your insurance agent for details about your personal coverage of the iPad. You will need to show proof of insurance to the school before the student(s) is/are allowed to check out an iPad.
