	Snow Contingency Day

\*This calendar includes 3 **Snow Contingency days** (Noted on calendar above) in the months of January, February and May. If there are no inclement weather days prior to the contingency day, then school will be closed on that day. If an inclement weather day was used, the contingency day for that month becomes a regular school day. For example, if ATSD does not have any inclement weather days from September through January 17th, schools will be closed on Jan. 18th. If ATSD does have an inclement weather day in that time frame, school will be open on January 17th. If ATSD has 2 inclement weather days in that timeframe, the contingency days for January and February become regular school days, etc. Any inclement weather days beyond the 3 Contingency days will be added in June. **All days during the last week of school will be early dismissal days for students.**
