## SUMMER ART CAMP 2022, JUNE 20 – AUGUST 19

### Summer Camp Registration is Open!

After a fun filled summer on the terrace last year, Summer Art Camp at the Hunterdon Art Museum will once again be taking place outdoors, with some virtual options!

HAM camps are fun, week-long immersions into a specific theme, medium, or skill. Daily camp sessions are 3 hours and offered in the morning and afternoon. Supervised lunch is available, so we encourage you to choose a morning and afternoon camp for a full-day of creativity and fun!

Safety remains the highest priority, and we are looking forward to having another summer with zero reported cases of COVID-19. Safety protocols are in effect, including proof of vaccination for all campers. We will continue to monitor state, local, and CDC guidelines to inform operations and adjust procedures as necessary. Visit our website for the most up-to-date information on summer camp safety procedures.
